

Mississippi Angus Auxiliary

Women working for the welfare of the Angus breed through education and promotion of Angus youth.

July 22, 2017

Dear Angus Breeders

The Mississippi Angus Auxiliary is making plans for the 2017 Mississippi Angus Preview Show to be held at the Mississippi State Fair on Saturday, October 7, 2017.

The 2017 show was a great success with cattle being exhibited from the states of Mississippi, Alabama Louisiana, and Tennessee. We are continuing to increase in both the number of cattle being shown and spectators that gathered to watch the show. Hopefully the 2017 Angus Preview Show will continue to grow and be successful. This event is a great opportunity to promote the breed of Angus cattle here in Mississippi. It is also an opportunity for the public to meet people that work every day to make Angus cattle the number one breed association in the world.

Again this year we are asking for your support to make the 2017 Preview Show a success. All profits from the Preview show will be used to fund youth scholarships, conduct education programs and to fund other auxiliary activities that promote Angus cattle. Donations can be sent to the Mississippi Angus Auxiliary c/o Melanie S. Kiani, 1246 Sims Hill Road, Morton, Mississippi 39117. Please include your farm information or business card so we can acknowledge all supporters in the show program.

Thanks again and your support is greatly appreciated.
